Food Shipments

In February, we provided a container load of food (285,120 meals) to Lifeline Christian Mission for shipment to Haiti. Another 4,320 meals went to the Community Emergency Assistance Program (CEAP) in Minneapolis, MN.

Minnetonka Sophomores Help Haiti's Hungry

On Jan. 28th, nearly every one of Minnetonka (MN) High School's more than 700 sophomores spent their social studies class in the school's west gym. The students stood, side by side, scooping ingredients into bags, packing those bags into boxes and getting those boxes ready for the 2,200 mile journey to Haiti. The event resulted in a total of **84,000** high-nutrition meals packed!

Please Welcome our Newest Satellite in Charlotte, NC!

On February 5th, an enthusiastic group of volunteers gathered at Charlotte Christian School for the launch event of the Charlotte (NC) food packaging satellite. Jeff and Suzanne Yoh, Satellite Directors, welcomed this group of volunteers and challenged them to join the couple in their vision of providing food for Samaritan's International, an organization that operates an orphanage in Nicaragua and feeds 40,000 hungry children daily. The group of volunteers at Kids Against Hunger - Charlotte's opening event packaged 29,160 meals. Congratulations to Jeff and Suzanne, and their Charlotte satellite!

"Drive to Serve" Event a Success!

Kids Against Hunger partnered with the Luther Family of Dealerships and packaged 540,000 meals the week of February 10th. Luther is the largest group of family-owned dealerships in the Midwest, and

U.S. Navy's Project Handclasp Conference

Kids Against Hunger recently participated in the first-ever Donor Conference hosted by the U.S. Navy's Project Handclasp (PH). We joined about two dozen other for profit and non-profit organizations and NGOs from various countries in San Diego (CA) for the two-day event. During the conference, we heard RADM Jeff Lemmons, Director of Navy International Engagement, explain why the U.S. Navy is involved with humanitarian efforts around the

working with Luther for years to come.

globe through PH. Admiral Lemmons explained that the scope of the Navy's mission has changed as they realize that "preventing a war is as important, if not more important, than winning a war". We solidified our relationship with the PH team in San Diego and formed new relationships with other organizations who are involved with humanitarian efforts around the globe.
